Cub Scout Resident & 3-day Adventure Camp

Overnight Cub Scout Resident Camp is held during the months of June and July. There are two camping opportunities to choose from – regular *Cub Resident Camp*, which consists of six days and five nights and runs Sunday through Friday; and *Cub Adventure Camp*, which consists of three days and two nights and runs Sunday through Tuesday. Each Pack must decide which week they would like to attend. Packs should reserve their campsite early to avoid disappointment.

The Pack attends camp as a group and reserves one or more campsites for their needs. The Scouts sleep in a large canvas camp tent – two Scouts to a tent – on a sturdy canvas army-style cot that rests on a raised, wooden platform. The canvas tent covers the two cots and the platform. The tent has flaps that can be tied shut at night and opened during the day. The cots and tents are provided by the camp.

Each campsite is equipped with a picnic table and a pavilion or dining fly. Each campsite also has a campfire ring to be used at the discretion of the Pack's leadership. The Pack uses this campsite as a base camp in-between activities and meals. The pack is able to spend time in their campsite around the campfire before retiring for the evening. Showers are available for campers and adult leaders; as is a camp Trading Post – for the purchase of snacks and/or Scout "stuff".

The camp provides a structured program during the day plus evening activities. Activities at Resident Camp include BB gun and archery instruction and shooting, nature, swimming, boating, sports (including gaga ball), fishing, indoor climbing wall, obstacle course and Scout Skills, tubing on the Lehigh River - to name a few. Special activities, just for older scouts, include a camp-wide day hike for Webelos and an overnight outpost for Arrow of Light scouts (2nd year Webelos). The camp provides three hot meals a day plus an ice cream social on Tuesday evening. Meals in the Dining Hall include a lot of fun songs.

A leader's meeting will take place before camp starts. Schedules, new programs and all information are distributed to your Pack's leaders at this meeting. Parents attend as camp leaders, basically acting as chaperones. You are not responsible for planning or carrying out the daily program – only making sure your Cub Scouts get from one program area to the next in a timely manner, that they stay together and have F-U-N! We assist you by providing a daily leaders meeting at camp after lunch.

If you are not sure about spending a whole week at Resident Camp, you may want to start with the three-day Adventure Camp instead. Cub Scout Resident Camp and three-day Adventure Camp are a GREAT bonding experience for your pack and a growing experience for both Cub Scouts AND leaders (parents) who attend. Don't hesitate to come and have fun with your Scouts. It's a decision you will never regret!
